

large hanging roll up United States map great for classroom (50 USD)

Location **Maryland**
<https://www.genclassifieds.com/x-651299-z>

I have a very nice United States wall hanging map that rolls up like a window shade. It is approximately 5 feet tall by approximately 3 and a half feet wide. it has never been installed. Brand new condition. Would make a great addition for any classroom!
