208 Moving Company is a local Boise moving company that services local and long distance moves. We believe in affordable rates and fast accurate service. Our customers are always number one to us and we strive to make your moving experience painless and carefree. We have some of the most competitive rates in the Treasure Valley, and we'll never have hidden fees. We provide furniture protection and floor runners at no extra charges and we never start the time charge until we have reached your place and do a walk-through.
