Open to females of all ages, ethnicities, and shapes.

Professional, attractive, white male looking for a model in nude but non-sexual poses...nothing more.

I'm easy going and like to hang around other laid back models who have an open mind and a great sense of humor. Does this sound like you?

FYI- Photos are not for an online web site and will not be viewed by anyone other than myself.

Looking for unshaved and totally hairless.
