Hello my name is David, I am looking for a room to rent, I can afford around a total of 500. I am looking to be around downtown Beaverton close to tv hwy, or farmington/beaverton hillsdale hwy. the reason for this is because the work I do, I end up getting off work late when the bus stops running, so I am looking for a place close enough so I may walk home if i need to.

A little about myself.

I am 27 years old, I am a clean and quiet person, I work for a carpet cleaning company cleaning commercial carpet. my hours are random sometimes i work early in the day, and sometimes I start work in the evening. I'm pretty nerdy, I like game of thrones and silicon valley. I love playing board/card games. Cards against humanity is one of my favorites. I also like computer/console games, but my computer can't play anything(it's ancient) I have a ps3 as well which i do most of my gaming on. I also love animals, where I'm staying now they have a pit bull and a wiener dog, and the pit is SUPER friendly and always wants to play with other dogs.

I might be willing to rent a place with the right person/people in the beaverton area.

that's about all I can think of right now if you have any other questions please feel free to email me, or text me.

thank.
