Sombody ripped off my sons first bicycle on 8/8/15. It is a 2015 Novara Buzz XL grey bike. It has dice brakes. He needs it for high school. Most of the accessories are matte black. I would like to offer a \$100 reward for info leading to the bikes recovery. I feel like the bike is still in Portland. If you know some tall asshole who just got a new 2015 grey Novora Buzz which is XL and has matte black components.... Please reply to this post. If you happend to have recently bought our stolen bike... We will still offer the reward. Your tip will remain anonymous! We will verify with the serial number. Thanks.
