## Tennis Pro Match Testimonials:

"I'd been searching for a tennis coach in Minnesota for my 14 year old daughter for months. All the tennis club coaches were too busy and/or couldn't meet at a time that worked for us. I found Tennis Pro Match and called Adam. He took a full "intake" of our needs and went to work on finding a few coaches in our neighborhood and in our price range. We quickly found a coach that fit our budget and needs list. He was

very accommodating and we met the next week at the school courts. Our new coach was a tennis player from Russia and is very good. He took form and technique into the game. He was on my side to serve and was teaching the backhand. He was a great presence and made a huge difference! He also had a few friends to play with his 14 year old daughter. I will definitely recommend him to my friends. I will be happy to refer to anyone looking for a coach to call/text Adam at Tennis Pro Match Thanks Adam!" -Barbara Adams (Winnetonka, Minnesota)

"Tennis Pro Match has been a wonderful tool for me! I wanted to find private tennis lessons near my house but it most seemed to be 30 minutes away. I am so glad I called Adam at Tennis Pro Match. He found someone within 10 minutes of my house and I am very pleased with the lessons and the tennis professional he chose! He kept it in my price range and skill level perfectly. I would highly recommend Adam-he's wonderful!" -Jordan Roberts Tampa, Florida)

"I found Tennis Pro Match when searching for tennis lessons in Denver, Colorado. I was placed with Samantha who is an assistant tennis coach at a university in Denver. The process was incredibly easy! Adam reached out to tennis professionals in my area through his contacts who could provide private tennis lessons within my price range, location and availability. Samantha has taught me so much about tennis! I would definitely recommend Tennis Pro Match to anyone-thanks again Adam!"-Laura Allen (Denver, Colorado)

"I am so thankful that I came across Tennis Pro Match. I was looking for private lessons for my wife and didn't want to go through a tennis club. I contacted Tennis Pro Match and Adam found us a local pro who had lots of experience, his own equipment including a ball machine and he was able to meet us at the public courts just down the street from our home. All this convenience and it cost much less than going through any tennis club!"-Thomas Stearns (Seattle,)
