FOR SALE OR FOR LEASE!

This is an EXCELLENT property with LIBERAL PARKING for an insurance company, real estate office, law firm, architect or engineer!

The waiting room and front offices have the original oak floors.

There is a kitchen, as well as, a totally dry basement for storage.

The back portion of the first floor already has (6) built in cubicles. These well constructed cubicles give privacy for sales staff or individual workers.

Adequate bathrooms are provided for, both, males and females.

The second floor has a large front area that could be used as a conference room along with built-in benches and storage compartments.

Additionally, on the second floor there is a large open area that could be set up with cubicles/chairs fitted out for meetings with staff or to demonstrate new products to staff and/or clients!
