Up for sale is my 19' 95hp inboard mercury with jet drive luxury yacht tender Nautica wide body... hard to find

This boat has up to date 2015 garmin electronics, icom radio, fusion sound system with bluetooth and sirrius radio, not to mention the 50 knots it does. Has all brand new chamber tubes which cost me thousands and thousands of dollars, under water lights, And has a trailer that we just put new rims and tires on and new rollers etc.. the trailer was just fully rebuilt.. this boat has been garage kept most of its life. Was 90k new
