2001 Suburban LT for sale or trade, runs and drives good, brakes are good, tires are good but need rotated, it's not perfect but the front air is ice cold. It is very reliable, currently has 220xxx miles, 5.3 motor with no blowby, it shifts great and gets decent mileage for a spacious suv, has third row seating. Passenger window is off track, clear coat is peeling as you can see, interior is rough in spots but the heated seats work perfectly. Like I said it's not perfect and I have priced it accordingly, She's not a beauty queen and she's not perfect but starts every time and is reliable. Clean title in hand. Asking \$3,000 CASH or trade for truck, bass boat boats atv ???? may look at other trades as well. What do you have? Call or text 573 5one 2 1692
