TCR Cat of Macomb County eliminates damaged caused by water, mold or fire damage. We do this by removing all affected material, drying the affected area and chemically treating the affected area.

We are looking for a personable, self motivated and hard-working individual to fill an available position. Experience in the field of water/mold mitigation, construction/demolition are a plus but not required. If you have no experience you must be able to follow basic directions and complete tasks in a timely manner.

In our line of work reliability is an absolute must. Candidates must be able to get to our main office located in Warren MI within an hour of being dispatched to a job.

This is a great opportunity for someone who is looking to learn a new skill or for someone already working in the field who wants to get the next level. We are willing to pay for industry certification for technicians who show an aptitude and display leadership.
