Hello,

I need someone to provide a bid on a project for me:

- 400 or 600a service riser, meter enclosure and ct cabinets. Riser approximately 10 ft run.
- (2) 200a disconnects
- Approximately 120 ft of 4" conduit run to service box in other building.

I will provide all materials and pay permit fees to complete the job...Price needed for labor.
