Checkers is a 40 lb. 2 year old male border collie mix (?). He is the happiest dog around! He will happily entertain himself, but if you can spare a few throws, he's in heaven! Checkers also really loves attention for both play time and cuddle time and would love to be part of a family. He is smart and loyal with a happy disposition that will make him a wonderful addition to his forever home.

He knows basic commands, walks great on the leash. He is well mannered and very sweet.

GREAT family dog! Call email or text
