I have a 4 month old pitbull puppy (he was born in April 2015) that I am trying to rehome. His name is Rocky! I would love to keep him but unfortunately I now realize that I am busy with work and can't provide him with all the time a puppy needs. He is NOT house trained. I've had a hard time training him since I work a lot - sometimes he shows progress (he'll whine when he wants to go out) but other times he reverts back to going inside the kennel without any warning...and then whine. He got his 1st set of shots/vaccines from the vet (I can provide documentation for rabies and distemper vaccines) and he was neutered (I can provide documentation for this as well). I will include his training kennel, food & water bowl and any dog food that I have remaining until I find him the right home. He is good with children (I've had him around 3 kids from the ages of 6-10 consistently) and he is also good with pets (my girlfriend has a cat that he plays with). You can call/text me at show - ask for Charles. I am asking for a rehoming fee of \$300.

Thank you for reading my!
