We now rescue English Bulldogs and prepare them for adoption along with our breeding and studdings services. This boy is in need of a great forever home! This is a 5 year old male... We are looking for a family either as an only dog or the only male dog. His adoption fee covers his Vet check, UTD shots, dewormed, neutered, and we Micro-chip them. Check us out on Facebook at: Unique's Bulldog Rescue or our breeding page at: Unique and Rare English
