This cage is great for travel or to use as a regular cage for smaller birds such as greencheek or cockatiel size. Bought from Amazon for 100, rehoming cage for 35.00. Powder coated, easy to clean, 1/2 inch bars, and pull out tray. I do not use the food cups in the pic as birds can get stuck under the cup so I took those out. Great cage overall! I have two to sell and they can stack on top of each other. Cage is 14x18x14. No rust or.
