Location **Delaware**

Hello,

Family and I are planning to move to Delaware. Our desired locations are from Dover on Southward, more in land rather than shoreline.

Curious to get opinions and ideas, suggestions and thoughts about where you live, your towns, life, lifestyles and more including:

How safe is your town
Taxes on properties
Wildlife
Weather
The seasons
job market
traffic
good things
bad things
and whatever else would be prudent

Would like to just converse and develop an idea of what to expect and plan for in all areas of moving. ;)

!!
