Has anyone encountered this individual? He goes by various names but none of them are his actual name. Claims he is rich and investor and is transferring \$ into you account so he needs you to book hotels, buy food, alcohol, rent cars. Think personal assistant...That is the reason being there is a \$ transfer coming to your bank account and he can not get to his \$. So he needs your! He will show you a fake wire paper too. Note rich people do not need to borrow money. This man is dangerous wanted by police! He has done this in vegas,Cali ,south Florida and gods know where else. He is fat and bald black eyes and hair w tattles of skulls on both arms one hand says justice, on other says your and his head has fuck off. He is evil and a low life predator (some girl claim Ed he drugged them) if you see him get away from him ASAP! Call the police and email me. There are plenty of people searching for him. No one deserves this. Thank you and there may be two do them working as a team.
