Hi, I am John, a third year mechanical engineering student at UT. I have been tutoring for a year, and my clients always have good results after having session with me. I always share my personal tricks of all the subjects, my clients always find it's easy to learn and understanding the subjects with my useful tricks. Subjects that I am capable of are : In our Basic Income Tax class you'll learn about the latest tax changes, and every facet of individual income tax preparation. Learn the skills you need to jump-start your tax preparation career -- even if you have no experience. Many of our positions are perfect for students, retirees, or those at home with family. The curriculum covers the fundamentals of income tax preparation, including all schedules, credits and forms that can be filed with an individual tax return. The only cost may be a minimal charge for books.Set the Standard, Improve Each Day, Have Some Fun! This is the mission we live by at Liberty Tax.
