ASL PEDIATRIC THERAPY SERVICES in Weston is the leading provider of Developmental Speech Therapy for toddlers and children in Broward County.

ASL specializes in helping toddlers and children who have a significant speech delay, articulation issues, apraxia , and/or learning disabilities.

If your child is over 21 months old, and is not speaking in two word utterances, or is very difficult to understand when they do try to speak; it is now time to seek the guidance of a Professionally Trained and ASHA Certified Speech-Language Therapist. It is time to call ASL.

At ASL, our personalized approach to Speech Therapy ensures that our students make positive and measurable improvements in their speech, language, articulation, academic performance, and behavior.

If your child is not keeping up with their peer group, and is not meeting their developmental milestones; ASL can create an effective therapy program that will help your child.

To learn more about ASL and all of our unique therapy programs and services, please call today to schedule a FREE First Assessment for your child this week.

It is never too early to start a new program.
