Location **Minnesota**

Hello!

I am a stay at home mom of a 8 and 1 year old and a 5 month old and I am looking to care for your child in my home. It'll be a great social experience for all the children especially with the soaring prices of in-center childcare. I will provide a safe, comfortable and fun environment for your child.

Your child will not spend the day watching TV or sitting quietly as I always have plenty of things to keep any kid busy. I love Pinterest so there's always something I am trying out on the kids. I will teach lessons according to their age: sensory, motor skills, reading and phonics, etc. I have a large and soon to be "bug-free" back yard with plenty of room to run.

I am CPR and First Aid certified and I have references available!

My rates are \$35 per day or \$150 for 5 days.
I do not provide weekend or evening care.

I am very flexible with start times and will provide care until 5:30pm.
Sorry I cannot except infants

First week payment due at contract signing/first day of
