September opening for Preschooler (2-4 years)

October opening for Toddler (12 mths - 2 years)

Experienced & licensed for 35+ years. Great references.

I'm certified in CPR and Pediatric First Aid. I am also current with the SIDS, Shaken Baby training.

I participate in the Providers Choice food program and strongly believe in good nutritious meals and choices for the children in my care.

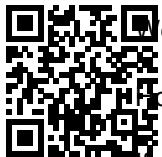

I offer a clean, loving environment.

This has always been a non-smoking home.

I live right across the road from a nice Park.

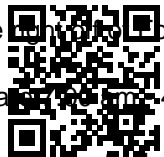

We also have a 5 year old yellow lab named Parker. He is wonderful with the children, in fact he thinks he's one of them, lining up for treat-time right next to the rest of the kids. Parker is neutered, up to date on all his shots and in very good health, and very well trained.

I have a very nice, clean (no dog mess), landscaped front and backyard with full privacy fence.
