I have a 98 Chevy S10 for TRADE.. it is my only vehicle, so I can NOT sell.. Trade only.. Only thing majorly wrong is no air in the truck.. Could use an oil change and an alignment (barely leans a little to the right)..just hit 161,000 miles.. Will go up due to being my daily driver..automatic.. takes about 25-30 bucks to fill her up at the pump.. Looking for a vehicle that also gets good gas mileage and has a back seat.. Preferably not a Ford.. Vehicle can't have anything major wrong with it, cause I just don't have the money right now to fix..
