

Home Sitting Service (Ocean SpringsSt. Martin)

Location **Mississippi**

If you need childcare in your home call me. I will also do light household chores while there if needed. I have experience with special needs children as well. My 19 yr old son is non-verbal and he has autism. I operated my own home childcare service for many years here in St. Martin. I was a foster parent for Harrison County for 5 yrs. I'm available Monday thru Friday daytime hours. I'm available limited weekend hours. Cost is negotiable.
