The Perfect Puppy for any child free to a home he very much deserves. We rescued him about 2 months ago From off side of the road laying under a tree in 99 degree weather when I picked him up he was severely dehydrated. We got him back to health at dr. Where TODAY he is currently 3 1/2 months old VERY healthy playful and absolutely adores kids. He plays catch with ball hide and seek, but he most favorite thing to do is to swim in pool lake tub and he has a great talent for a small dog and that is that he surfs!!!! Yup!!!! I said surf he loves riding the waves . We are devastated letting him but I have a one yr old girl who's lungs collapse when pet hair in around her . P.S I will make sure whomever is interested has all the
