2000 Mercury Sable, auto trans, front wheel drive,190,XXX miles on it, sun roof, leather trimmed seats, premium stereo, the previous owner hit a deer with it and that is why the hood is a different color, also it went through a hail storm so there is some hail damage, and it could use a new windshield, other then that the car runs great, gets right aroud 26 mpg. I drive this car 100 miles everyday for work so its very reliable, just looking to get something a little smaller. Clean retail is \$3500, asking \$1500 OBO Email me with any questions or give me a call or!
