Hello owners of European autos. My name is Jeff and I am here to help you with all of your Mercedes, Land Rover, Volvo, Vw, Audi and BMW needs. Please contact me before taking your vehicle elsewhere. My rates are the best for European technical service and my quotes are firm, I also have hundreds of references! Come see me about bringing that diesel Mercedes back to life or getting rid of those infamous Land Rover problems. I can take care of all your large and small repairs from thermostat replacement to overhauling your transmission as well as specialty jobs like putting top hat sleeves in your Land Rover. I can be contacted via text or call, if I don't answer leave a message and I will call you back in a timely fashion. Thank you and I look forward to hearing from you.
