Hi I'm Grey and I'm cute. I can be shy at first but once I get to know you and get settled in I will sit in your lap and cuddle. I will be all kinds of silly with toys and will play with other cats. If you bring out a feather wand I will be all about it and you will never know that I can be shy. I'm a purr machine and thoroughly enjoy being pet and getting attention from the people I know. I love to watch the birds and squirrels as they eat at the bird feeder. When I think it is time for more food or treats I'll roll around and meow. I will also follow you around the house because that is what I do. In general, I'm a very relaxed kitty and once I get settled in I'll be your best friend.

Adoption fee of \$115 includes neuter, microchip, vaccines, deworming, FIV/FelLV testing, and flea prevention
