I am a 24 year old, skilled, intelligent and hardworking young woman. I have recently lost my car and my job due to a pain disorder that doesn't allow me to have a set schedule.

I am dearly in need of money, and willing to do an honest days work for small pay. Must be under the table. I have experience in housekeeping, handyman services such as home repairs, painting, cooking and preparing meals for individuals or families, babysitting, house sitting, dog walking, gardening, landscaping with vast knowledge of horticulture, teaching herbal medicine treatments and practices, computer advertising, website building, writing, massage, facial, manicure and pedicure, personal assistant, just about anything.

If you could find it in your heart to help and have some work you need done for inexpensive rates, please email me via this ADD or text me at

Text me now for more information!

Thank you! ..
