Have people said to you "have you ever played Santa Claus?" Or are you an experienced Santa performer?

We are Santa For Hire, the largest talent agency in the U.S.A. who specialized in booking REAL BEARED Santa Claus actors throughout the U.S.A. and internationally.

We have openings in all 50 states, and get over 3000 requests every year for Santa Claus performers.

If you are looking for part time parties, or 8 hour a day 5 days a week gigs, we can definitely keep you busy this Christmas season.

Our history:

Santa for Hire is the ORIGINAL Santa booking agency. Since 1999 we have placed our Santa actors at some of the best events. We work with private and corporate parties, T.V. spots/commercials, magazine ads and photo shoots, National Malls (have you seen a Santa in a mall before? Odd are they are our Santa) and much more.

If you want to keep busy this Christmas season, Santa For Hire can help you.

Please reply with a resume and 2 hi resolution photos taken THIS YEAR (preferably in a Santa suit). If

you have never played Santa before that's OK. Email us for all the details.

What Santa Claus is the subject of the background check and not a U.S. citizen. If you forward to us a resume you.
