Someone to share long term 2nd floor apartment in Woodford's area with 3 guys ages 30-50's. Rent is \$275 plus \$275 security and 1/4 utilities. NO smoking in house (including weed). No pets or children. Please be over 30, have a job, be responsible, mature, respectful, and able to function in a communal home. We live in somewhat laid back environment but it is a good place to hang. We have oil heat which can run up to \$140 monthly (pleased be prepared for this), gas and electric. Off street parking when it snows.

The rent is due on the 1st of each month and the bills on their appointed dates. If you have ANY problems with paying on time please move on; it is a hassle chasing people. There is no cable or internet but you can get it. The landlord lives downstairs. We are not looking for.
