Max is a 3 year old Boston mix. he is so sweet and loves to snuggle. he will lay around all day with you. he is not neutered and needs shots but is house trained! I will be so picky about where he goes. he is a little jumpy and shy I think where I got him from abused him. he really is a great dog though. he is not good with other dogs though. I am asking a \$20 fee for him. he will come with a baggy of food his leash his collar and a cage. please tell me about yourself when replying.
