

JY (14 USD)

Location **New Hampshire**
<https://www.genclassifieds.com/x-654869-z>

This is a JY-14 Daysailer designed by Rodney Johnstone. 14' , 5'6" beam with a mast height of 19' and a draft of only 6" with the center board up makes beaching easy. Having a total working sail area of 85 sq ft. with the optional jib. It is a design that allows just about anyone to sail. Very stable with the wide beam and low center of gravity. This is a sit in not on type sailboat with full length seating. Movement around the boat is easy because of the high boom and the 4 to 1 mainsheet that provides maximum control. The hinged mast and halyard mainsail makes it easy for 1 person to rig. 2.5 hp capable, 225 pounds dry weight, monohull construction using composite materials. 1995 in very good condition. \$1100.00 OBRO, Please call Jay at 603-670-three one seven.
