I am looking for the right person or even a single adult with a very young child to rent a room to. The room is PARTIALLY furnished, own entrance, 800 sq ft, own bathroom, laundry, balcony, kitchen area. Cat maybe but no dogs cause it would drive mine nuts.

This room would be yours and not shared with anyone

Quiet NON SMOKING individual/couple, the entrance includes stairs and balcony over looking pool and farm animals.

No couples, no drug addicts, no alcoholics.

I do foster care, therefore you MUST be able to pass a CORE check. No 420 marihuana

Kitchen area does NOT have a stove! this is a room and not an apartment. Has microwave, toaster oven, hot plate for cooking. Also you can put a grill out on balcony.

Beautiful and room just repainted. Getting ready to redo the bathroom but it still all works, I just want to update it and put in a window.

\$1000 monthly and will include your electric, heat, cable, internet, water, sewer. You would also have

your own thermostat to regulate your own.
