Selling my 2007 Nissan Sentra 4 Door Sedan Coupe. I'm an older gentleman and the second owner. I rebuilt the transmission last summer and replaced the brakes a month ago. I've been a stickler on maintenance with regular oil changes and taken very good care of the car! It has premium wheels, blacked out tail lights and a neon dash (you don't have to turn on the neon though). It runs and drives excellent!! Cold, cold A/C. All components- engine, transmission, radiator etc. in absolutely great condition, interior is excellent as well. Only 115k miles on the car. If interested please contact Quincy at

Thank you for.
