

Move a piano for me (Summerlin)

Location **Nevada** https://www.genclassifieds.com/x-655031-z

Looking for someone with a few friends and a truck to go get a piano in Henderson and bring it to me in Summerlin! Piano will need to be strapped down in the back of the truck to keep it from falling over, and you will need either a ramp or some strong friends to get piano into the truck. Piano is just shy of 5 feet long, 2.5 deep, and 4' 6" tall. \$50 to anyone who can do this! It's about a 25 min drive from their home to mine, you could do all this in under an hour if you're close to Henderson. Direct message me to work something out!
