## **Needed dog sitter Saturday night (Lakewood)**

Location **Ohio** https://www.genclassifieds.com/x-655142-z

from about 6 to 10--in my home or yours within the Lakewood area or Shoreway 3 years old, house trained. Very outgoing and friendly. Not to be caged at all. Was rescued and has attachment disorder thinking I will leave him, but he is fine with a sitter as I have had one before on a regular basis, but he is not available Saturday night.

Needing a reliable sitter for my wirehaired dachshund for Saturday evening only

Fee negotiable and proof that you have the ability to sit with and properly take care of a very, loving caring dog. Trained to go outside and use grass for excrement. Never to be put in a room and have it locked or caged at.
