Hi,

I am interested in restoring a Firebird Firehawk. I would like to find one with t-tops and a manual transmission. The year of the car does not matter to me as long as it is a true Firehawk. If you have a Firehawk that needs to be restored and want to give it up. Send me several pictures of the car. What is wrong with it and finally how much you want for it. Thank you for reading this ad.

I look forward to do business with
