

# Relaxation and stress relief massage (Cleveland Heights)

Location **Ohio**  
<https://www.genclassifieds.com/x-655196-z>

I am giving massage for relaxation, stress and muscle tension relief. I am mainly focusing on neck, shoulders, upper/lower back, thighs and calf muscles and feet, which are the areas where stress and tension mostly reside.

I do massage in-calls only at my location in Cleveland Heights using massage table and I charge \$20.00-\$25.00 for 1.30-2 hrs full body massage and I do not expect tips.

I am mostly available Mon-Fri after 5pm and Sat, Sun anytime. Please take a peek at my website for schedule updates and other info prior to making a phone call. I tend to respond to emails and text messages more promptly than phone calls.

I would appreciate 1-3 days prior notice; otherwise, would definitely see you on shorter notice unless I have already prior appointment made.

If you would like to schedule a massage, please email, text at 216-396-8944 or call at 216-297-9117 after 4pm; please mention your 1st name and your availability to see me for massage and I will reply promptly.
