## Resume writing amp polishing (Ambler)

Location **Pennsylvania** https://www.genclassifieds.com/x-655269-z

I am looking to have my resume rewritten, revamped and polished. Some of my resume is already done, so this project is going to involve only some rewriting and a lot of polishing. I need my resume done in a PDF file and a Word document. Also, I would like a cover letter done as well. I do need someone who has expertise and experience in resume writing. Please do not email me and tell me you just took a course in resume writing. I am offering \$65.00 for this job. My price is non negotiable. Please email me with any questions. Hope to hear from you soon. Thank.
