If you are comfortable speaking to businesses owners over the phone or by email, and you want to create your own schedule and determine your own income. Then you may be very interested in this business.

A 25 year old custom printed apparel business with a brand new program that businesses are LOVING!

This is a super cool way for local businesses to advertise and brand themselves as the LEADER in their market. The program only allows for one of each type of business, per location- which is why businesses will end up in the palm of your hand.

Its an easy sell. It is commission based, but you can start earning a generous weekly income by week 1 You can easily earn \$50k a year.

Must have previous sales experience and be totally confident in speaking with business owners.
