Are you driving an old clunker because you don't think that you can buy a decent used car with a few credit issues? Are you nervous because you know your car won't pass inspection or you have an expired sticker? Stop worrying and get into a quality used car at Twist Family Motors in Cumberland. We offer cars and SUVs that have been serviced, inspected and come with a new State of Maine sticker and 14-day temporary plates. We can accept your trade-in for at least a portion of your down payment and we will give you at least \$250 for anything that can be driven to our dealership. Scrap prices are around \$85/ton for junk cars as of last week, so instead of settling for \$125-\$150, you may be able to double that by trading in your hooptie.

Shop Online! We have our inventory online at TwistCars.com -- complete with full condition reports and photo galleries. We can arrange delivery if needed and we accept credit applications by phone. There is no pressure and you can know exactly what you qualify for before ever having to set foot into our dealership. We specialize in cars and SUVs under \$12,000 and most of what we have can be financed -- even with bad credit.
