

# 8 1 Port POE Switch 10100 Almost New (45, USD)

Location **Maine**  
<https://www.genclassifieds.com/x-675318-z>

I got this switch with my new security system and then discovered that I needed a switch with more ports. The best price I found on the Internet was \$165 plus shipping. I only used it for a couple weeks. There are some very light scratches on the case but other than that it's perfect. Full specs can be found here: <http://www.amazon.com/Desktop-Switch-100Mbit-Backbound-Bandwidth/dp/B00N1BCCGU>  
 Thanks for looking!
