

300 looking for room for rent under 400 including utilities and wifi (kirkwood or close

Location **Missouri**
<https://www.genclassifieds.com/x-675323-z>

looking for room for rent under \$350 including utilities and wifi

i work graveyards during the week so getting sleep during the day is imprint,

i am also looking for a second job

i need a place from now (prorated September rent as its past the first) until the end of december when i leave the state for school

would like to find something this week, as i am tired of sleeping in my.
