I have a male english mastiff puppy that's 7 month old. He is a sweet heart and is going too be big. Also he is house trained . He is good with dogs and young children. I purchased puppy from breeder. I just don't have the time too take care off a pup with my work schedule getting so crazy. I just want him too go too a good home. lam asking a rehoming fee. Any questions feel free too call or.Â
