Hi!

We need to re-home two of our favorite Sugar Gliders due to having too many animals (according to my husband?)..our hearts are breaking because these two are the sweetest ones we've ever had! They are a bonded brother and sister, 1 1/2 years old. The brother is especially sweet and tame as we hand-raised him after he sustained an injury as a joey. The little guy had to have his tail removed because of it, but it does not stop him from gliding!! He loves to snuggle and play! His sister is shy, but just as sweet. Their names are Valentino (Teen) and Lovelyn (Lovey) because they were OOP on Valentine's Day. Such cutie-pies!

We will provide a travel cage and a supply of their BML diet and some fruits and veggies to get them started at your house!

We are asking for a re-homing fee of \$400 for the two darlings and their.
