OK so I'm reposting my sweet male manecoon kitty named Mario. For some unknown reason my list was flagged and removed. I'm only trying to find my big boy a good loving home. He will be one year's old in Dec. And is already bigger then most full-grown cats . He has medium. To long hair with beautiful grey and black markings Mario is unaltered as he's always been an indoor cat. He needs his shots so if you can provide him with those and a good loving home please feel free to call text or email. Mario eats 9lives hard food with one can a day 9lives Chicky gravy Like can food. He does well around other cats and
