I am currently starting the search for a 2BR apt/duplex/townhouse in the Salem/Sandown/Hampstead area. I am a 34yr old professional female, non smoker, and no pets. I live a quiet lifestyle and I am looking to move somewhere and stay for the long term and make a home. I would like to move in mid-late October, and would consider November as well. Please get in touch with me if you have something available or know of someone. Thank.
