Hello I have a 3 month old pit bull puppy I am trying to rehome he is amazing with kids he is around my 2 year old all the time and great with other dogs I've never had him around cats. He is doing really good at potty training he only has an accident when he gets super excited. He listens very well even when there are other distractions around. I hate to rehome him but I'm starting a new job that requires me to be away from home for 2 weeks out of the month. He will come with his collar leash cage and food. I'm asking a rehoming fee of 200 to insure he goes to an amazing home! I am able to meet you as long as it's not too far text me for more information thanks!
