Looking for large back yard? The 2180 Bi-Level 2 Stall Garage features an open foyer with vaulted ceilings and plenty of natural light. The entryway closet adds extra storage for the active family. This home features an open kitchen with breakfast bar, dining & living room space and 4 bedrooms, 2 baths. The kitchen is the highlight in this home with custom cabinets, granite countertops, and ample counter space for the avid cook. Finished on both levels, this home is spacious with big yard and no backyard neighbors. Please contact us for additional info or showings.

This home is For Sale Only! No Rent to Own or CFD.
