Vacant Lake Prop on 1000 acre lake for only \$49,900

Buchanan Lake is a 1000 acres in size with an EXCELLENT fishing report. This lake is deep, full of fish with very good clarity. Average walleye in this lake is almost 4 lbs. Just a great boating and fishing lake.

This property has year around access with power available close to the build/camp site. Over an acre in size, so you have plenty of room for the extra's. Build-site level and walk-able to the frontage, no steps needed. Camp as long as you want, no time frames when you have to build. No shared frontage, you own over a 100' of waterfront.

This property is listed well under value.
